

CLIL Mondays

Learning Through Languages UK

Learning through Languages UK and the Centre for Language Research at Aston are pleased to announce the launch of « CLIL Mondays », the second Monday of each month from 4.30 to 5.30.

This series of online talks is aimed at teachers at primary, secondary and tertiary levels who have an interest in Content and Language Integrated Learning. CLIL Mondays combine short 30-min talks on aspects of CLIL with Q&A time. From Spring 2021, one session per term will be open to practitioners for sharing of good practice, you are warmly invited to come and present your CLIL work...
